

## Hayastan All Armenian Fund

The Hayastan All Armenian Fund Executive Board and worldwide Affiliates representatives visited Tavush marz, on May 16, and attended the opening ceremonies of Kashtarak medical post, gas pipelines in Aknaghbyur, Khashtarak and Lusahovit communities, and irrigation system in Aknaghbyur.

### Project funding:

**Aknaghbyur gas pipeline and irrigation system reconstruction- Fund US Eastern Coast Affiliate;**  
**Khashtarak and Lusahovit gasification - Mother See of Holy Etchmiadzin;**  
**Khashtarak medical post construction- Fund Netherlands Affiliate.**

By the end of 2009 residents of the communities will celebrate completion of another two vital projects - Khashtarak school renovation and Aknaghbyur drinking water network reconstruction.

One could tell that people are happy, and hopeful too, that tomorrow's day will be better.
