DATE: 23 May, 2008
FROM: RURAL DEVELOPMENT PROGRAM IMPLEMENTATION OFFICE
SUBJECT: WEEKLY UPDATE OF THE ARMENIA FUND RURAL DEVELOPMENT PROGRAM

PLEASE STAND BY...

May is quite the month here in the Armenia Fund Executive office with the heads of our Affiliate offices from around the world gathering here in Yerevan for the annual meeting of the Armenia Fund's Board of Trustees. This is a milestone event for the Fund as this is when the leaders of Armenia's and Karabakh's governments, spiritual leaders and prominent representatives of the Diaspora come together to discuss, single out the priorities and chart the course of the Fund's activities for the coming year.

Picture simultaneous meetings taking place all through the week prior to the main event that will take place coming Tuesday coupled with visits to the beneficiary communities and inspection of ongoing and finished projects

parallel to the vast organizational process of the event itself and this might just give you a glimpse of our schedule (somehow hectic seems too mild a word to accurately describe it). Considering all this we will unfortunately have to skip this week's weekly update but we promise (with a hand firmly on the heart) to return next week so please stay with us.

Trying to reflect today's realities in the border villages, raise issues and offer solutions we want to reach out to as many Armenians around the world as possible as we believe that only united can we bring real change and make real difference in places that need it most. This is something you can help us with. If you like our reports and want your friends to receive them too please contact us with their emails or follow this link to our easy subscription form. We would also like to hear your views and comments on the way forward. We hope to hear from you soon.
